Prologue

What is a school but the people in it?
What does it feel, locked up and alone
In the night?

Does it dream, as the old do, of past
Triumphs and glories?
Or does it yearn, as we do, for a future
Bright and marvelous?

Who can feel the heart of a school
Except by touching the hearts of its people;
For
What is a school but the people in it?

NEG

We, the editors of your 1959 BLUE DEVIL, have attempted in the following pages to depict, through pictures, the pulse of a great school; to determine what factors mold fourteen hundred individuals into one homogeneous unit; to recreate a year of assorted hopes and fears, dreams and realities, successes and failures, teaching and learning.

What makes a school great?

Keep the supposition in mind and join the editors as, through retrospect, we view

—Dreher '59

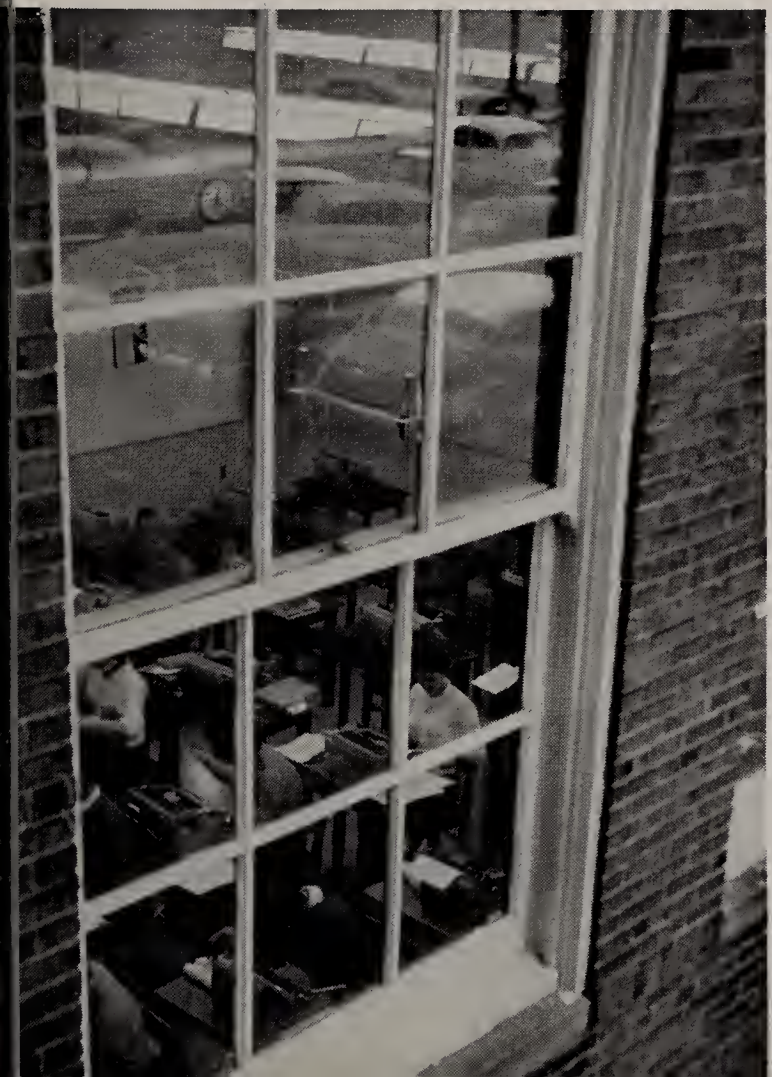

HER PEOPLE...

represent the very essence of her being, and character. Each individual possesses his own distinctive personality, his own myriad ideas, his own selfish desires.

Coupled with the individualistic qualities, which must be judiciously guarded, each Dreherite is instilled with and motivated by a certain unseen, yet deep-seated harmony, which binds and holds each as a vibrant, working unit.

This basic factor, this common bond between her people, is the mutual love and respect held for Dreher by every Dreherite.

HER CAMPUS . . .

is to every Dreherite more than merely a container for the countless activities, both curricular and extra-curricular. A score of years is recorded in the growth of our educational plant, from that "old wing" corridor, which was the Dreher High School of two decades past, to the present day building. An extensive library, vast athletic facilities, modern classrooms and science laboratories, spacious auditorium, beautiful courtyard, and the distinction of operating the only independent, closed circuit television station in South Carolina are Dreher's, and all contribute to her being acclaimed one of the finest and most noteworthy institutions in the Southeastern United States.

HER SPIRIT...

is exemplified through the extensive activity and athletic programs, through interest in her every endeavor, and through the zeal expressed by her people in the innumerable "little" things which channel her daily course.

Whether boisterous and deafening, soft or inaudible, this "spirit of Dreher" is an omnipresent force which reflects her core of greatness and the heart of her people.

Spirit is the fibre of any successful venture or institution, and it must remain alive and contagious if our goals are to be attained.

HER
PURPOSE...

is the education of American youth and the advancement of a free and democratic society. Though her primary aim is the education of the mind, through her divergent curricula, the objective extends beyond to the education of the body through physical training; the education of the soul through a program of spiritual cultivation and religious growth; the education of the life through the art of living, working, and growing in a sundry assortment of activities and extra-curricular events.

The production of responsible, well-rounded, educated individuals—ready to brave the challenges of an uncertain world as progressive citizens—is her sole purpose.

1959 DEDICATION

Mrs. Lucille Turney-High

To Mrs. Turney-High, an outstanding example of the spirit of teaching, we, the staff, dedicate the 1959 BLUE DEVIL.

She is known throughout the state for her teaching ability and her achievements, but to us she means much more. Her interest in every student as an individual, her unbounded enthusiasm, and her delightful charm make her an inspiration to all.

She radiates a great love for the French, their culture, and their language to each of her students. Because of her uncompromising devotion to academic perfection, she represents the highest standards and ideals a school may hope to attain.

Merci beaucoup, Madame Turney-High!

MR. J. K. BLUM
Principal

How we shall miss him, our "Papa Blum!" How lonely the halls and how empty our hearts at this parting. Where will we go to find another who looks always toward our future, but retains the best of what is in our past?

To him we are not just faces; he knows us as individuals, as persons. His every action is for our best interest, and for the best interest of our school. No matter where he may go, our hearts will follow him, for Dreher is his, and he is Dreher's.

A D M I N I S

MISS GRACE SEASE
Assistant Principal

And with him must go his main support, the one who has always stood by him, worked for him, and planned with him the important events which affect each of us. Known throughout the state for her abilities as dean of girls, she has given much of herself to lift high the name of Dreher. With mixed emotions of sadness and gratitude, we bid our goodbyes to Mr. Blum and Miss Sease. We, the students of Dreher High School, wish them good fortune and God's blessing.

MR. ARLIE W. WHITTINGHILL has served another year as our devoted and efficient assistant principal, and we know that the Dreher of the future will prosper with "Principal Whit" at the helm.

MR. GUY L. VARN has been the wise counselor who has indirectly charted the course of our 1958-59 year, as Superintendent of City Schools.

T R A T I O N

MRS. HELEN C. BAILEY is one Dreherite who will be sorely missed after her retirement this year. To her, for her unselfish devotion, unceasing friendliness, and infinite help, we each extend a sincere thank you and heartiest best wishes.

MRS. LUCY LEAVITT has for another school year devoted her active capabilities toward keeping the mechanism of the Dreher office in prime working order. Many thanks to her for her accommodating services.

BILL FAIRCLOTH, *Vice-President*; DELLENEY RUFF, *President*; BETSY MILLER, *Secretary*; WALTER ROBINSON, *Treasurer*.

OFFICERS

Here we stand, thinking back over four years crammed with memories. These memories are not only comprised of the innumerable periods spent in acquiring knowledge, but they sing with the remembrances of basketball games lost and won, of dances and parties, of all the wonderful things that go to make up our years at Dreher. Our senior class takes with it the best and the

worst of what we have experienced. We leave behind goals which must be met by succeeding classes. With our going, an old era closes, not only for us, but for Dreher. Next year there will be a new administration and a new high school with which to compete. It is up to those whom we leave behind to uphold the tradition that is Dreher's.

JUNIOR CLASS

The Juniors—the hope and confidence of Dreher personified. Throughout the school year they have exhibited the school's spirit to the highest degree. They have supported all Dreher activities en masse and have generally been a bulwark of Blue Devil enthusiasm.

Able and eager, the Class of '60 looks forward to a year equal in achievement to '59 and the years preceding. Such a year, then, will glitter with the polish of experience, the thoroughness of ability, and the originality of enthusiasm.

POOR DEVIL'S ALMANAC

*Early to bed and early to rise
Makes a man healthy, wealthy, and wise.*

Spare the rod and spoil the child.

Birds of a feather (?) flock together.

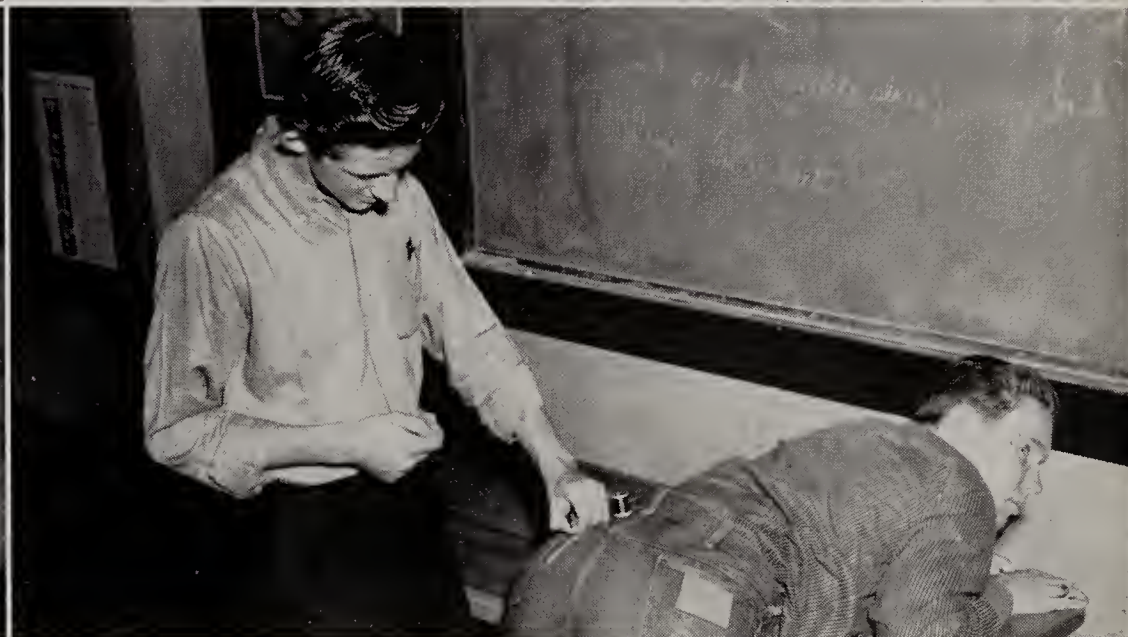

The best things come in small packages.

A bird in the hand is worth two in the bush.

A stitch in time saves nine.

All that glitters is not gold.

Build a better "man"-trap and the world will beat a path to her door.

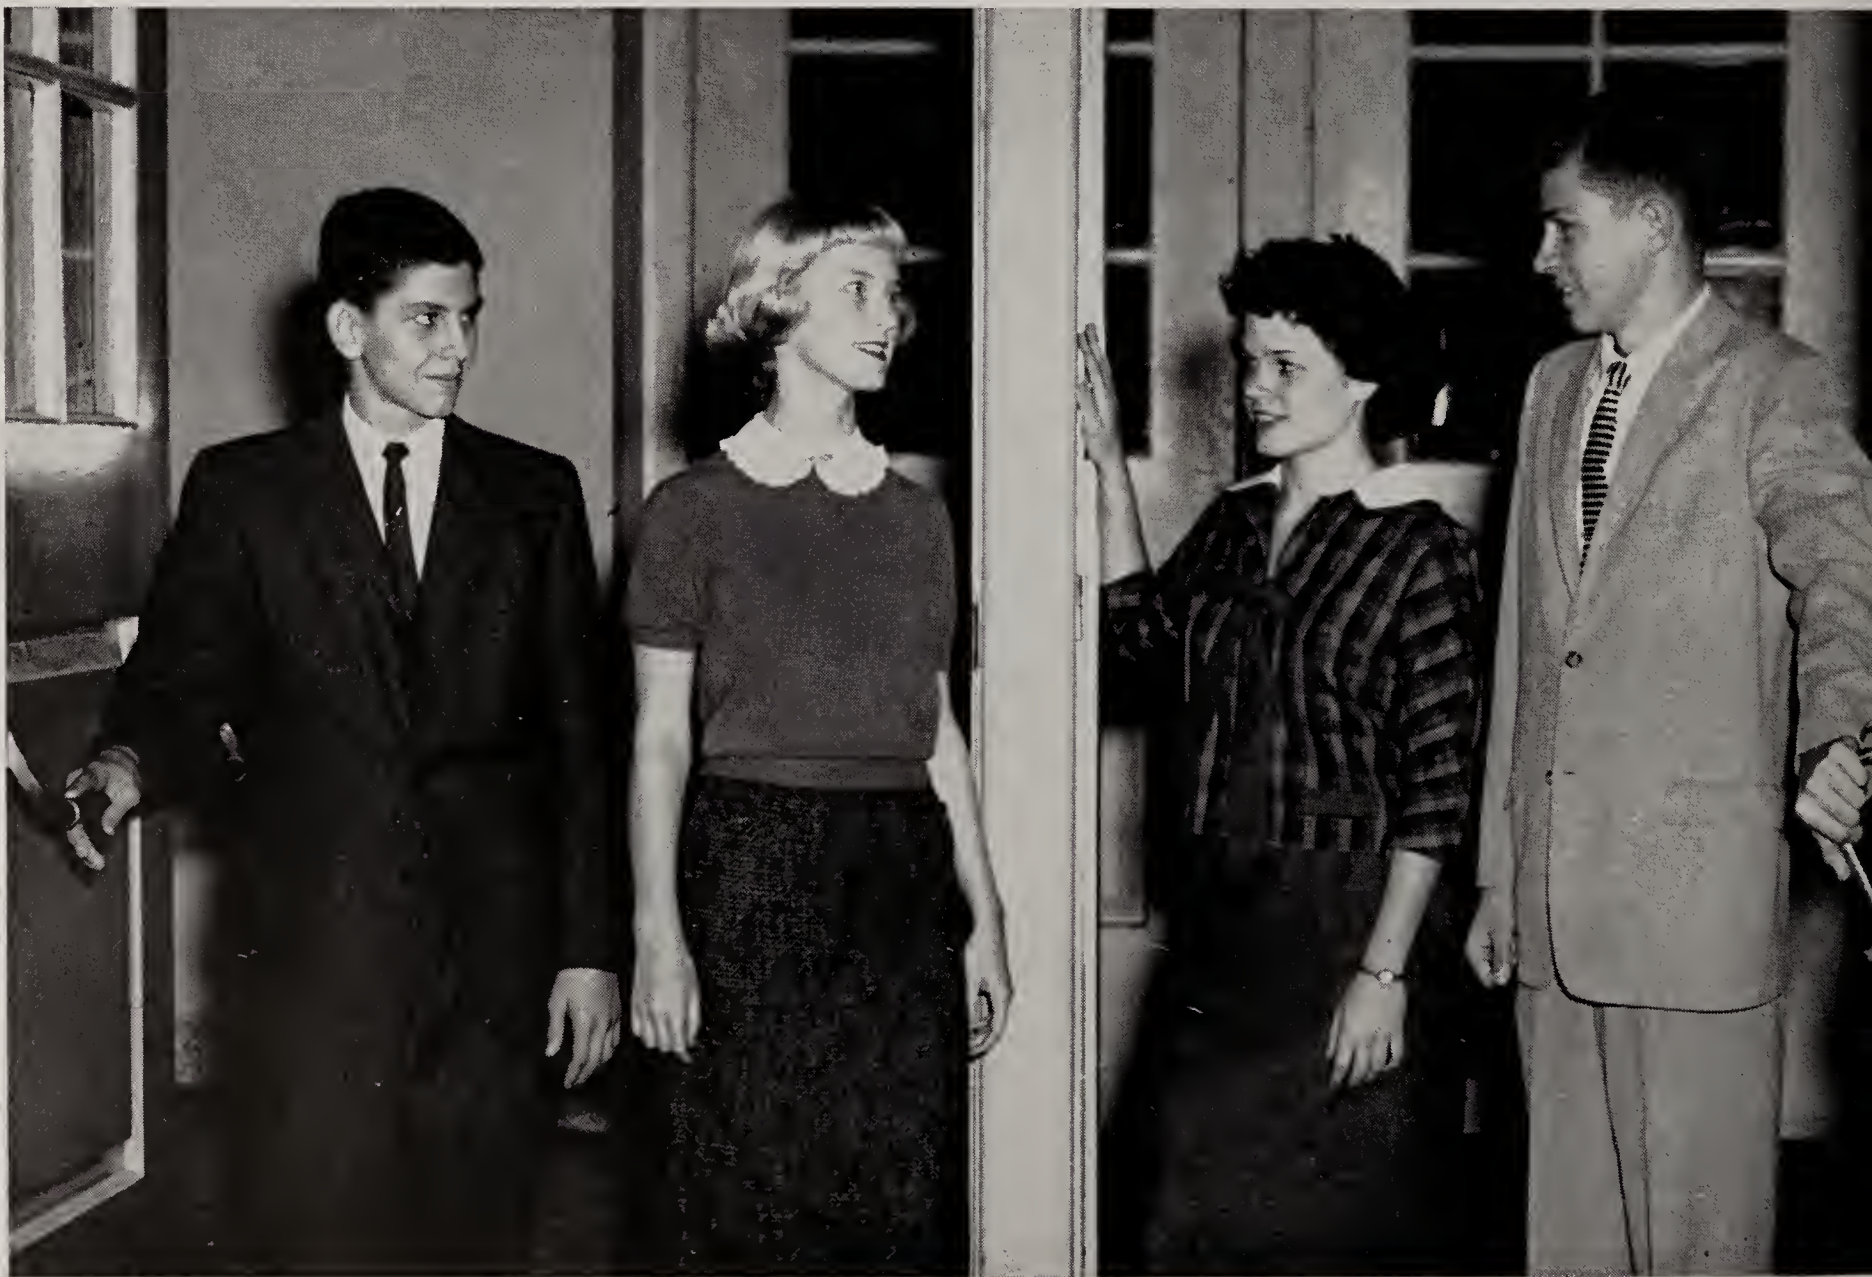

SOPHOMORE CLASS

High school at last! As sophomores we entered Dreher, looking forward to what proved to be a truly unforgettable year. The observance of "Friendly Week" made us true Dreherites from the very beginning. We became acquainted with the spirit of Dreher as we joined the juniors and seniors in organizing the State Student Council Convention. As the weeks

rolled by, we cheered our talented Blue Devils on to victory, no matter what the sport.

We hope that in our future at Dreher we may profit from our many experiences as sophomores, retaining the good, eliminating the bad, so that the class of '61 might do her part to maintain the lofty Dreher standards of good citizenship.

SOUTH CAROLINA EXPERIMENT IN CLOSED CIRCUIT EDUCATIONAL TELEVISION

The 1958 General Assembly of South Carolina selected Dreher High School for the state's first experiment in educational television, labeled "The South Carolina Experiment in Closed Circuit Educational Television."

Many students returning for the fall semester were amazed at the transformation which had taken place in the old library. The former library, modern dance classroom, and general activities room verily glistened with electronic

television equipment and devices unfamiliar to the ordinary layman.

Mr. C. Dewey Gentry of Dreher was named coordinator of the project, and many students have gained valuable working experience in the management of the station.

A momentous step in the modern American educational system, Dreher is indeed honored to be the first to house this experiment. Dreher High School always is looking toward the future.

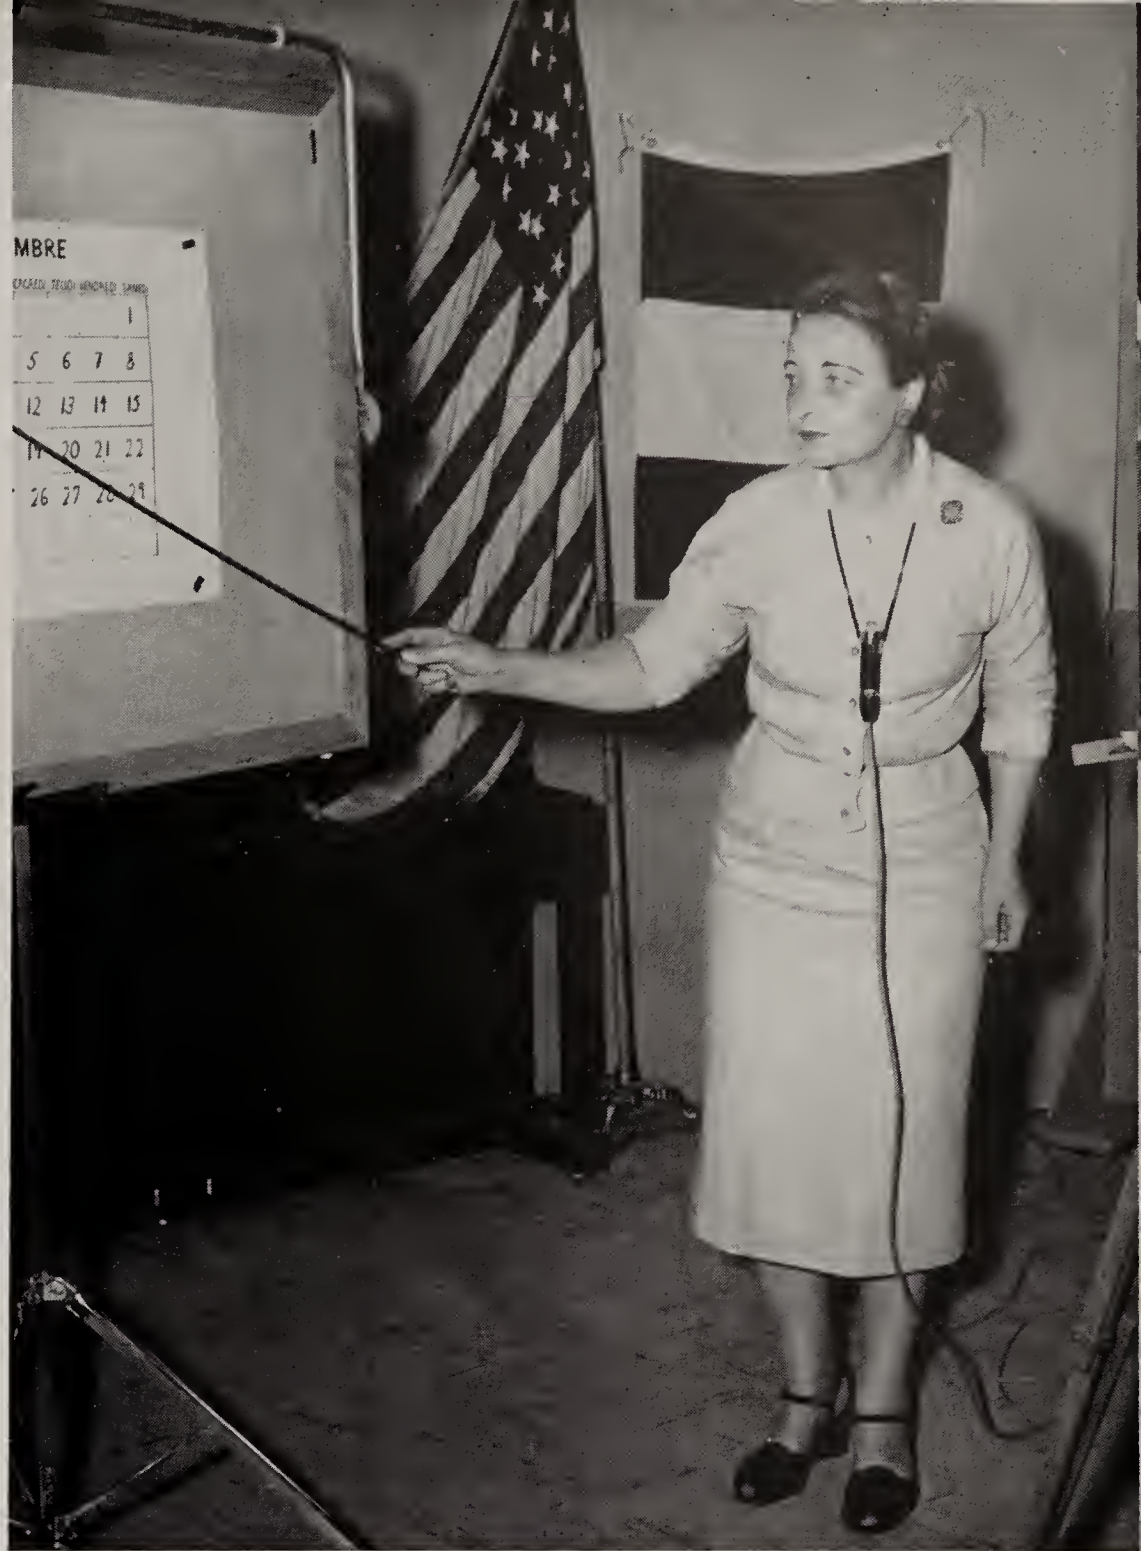

TECHNICIANS: Jim Walters, Neil Robinson, Joe Novak, Jerry Cooper, Jerry Coleman, Linda Bergman, Jane Hinnant, Bobby Shelby, Tommy Marchant, John Seibels, Tommy Steppe, Wayne Whisnant, Leigh Lehocky, Larry King, Richard Ellis, David Dreiman, Guy Meares, Walter Robinson, Eddie Edwards, Billy Weathersbee.

STUDENT

Long before the official installation ceremony of Student Council in September, the 1958-59 calendar year had begun for the officers of Council.

Groundwork for the South Carolina Association of Student Councils Convention, held at Dreher in October, was being laid as early as May of last year. All during

the summer vacation, committees and officers of the convention were busy making ready the reception for the three hundred and fifty high school leaders. Due to the feverish efforts of the student body, coordinated by Student Council, the state meeting was an overwhelming success.

MINOR OFFICERS. CARLISLE CAUGHMAN, BILL FAIRCLOTH, *Secretaries*; MISS JOYCE GAYDEN, MRS. LOIS JOHNSON, *Sponsors*; WILLIAM FULMER, *Treasurer*.

COUNCIL

In late summer Dreher was represented at the first annual South Carolina Association of Student Councils Workshop at Socareda, North Carolina, and later in the year at Student Council Conventions in Columbia, South Carolina; Jacksonville, Missouri; and St. Louis, Missouri.

A tireless force, the 1958-59 Student Council, rendered many services to Dreher, her student body, and her faculty, and taught the basic concepts of democracy and self-government through representation of each school citizen.

NATIONAL HONOR SOCIETY

The names of juniors and seniors were read out in assembly this year as fulfilling the requirements of leadership, scholarship, character and service for membership in the Dreher chapter of the National Honor Society.

This is only the beginning for the members. Not only must they maintain their high standards, but as members, they also participate in the chapter's many projects. As the school grows, so grow the group's activities. They sell student directories, decals, and handle the sale of class rings. They serve as marshals for assembly pro-

grams, staff the reception desk in the lobby, supply flowers for this desk, and last, but not least, they sponsor the ever-growing senior trip to New York.

For membership in the Dreher chapter of National Honor Society, a student must be in his Junior or Senior year, have been at Dreher at least one year, and must maintain a "B" average for the two semesters preceding his election. In addition, he must meet certain extra-curricular activities requirements.

KEY CLUB

The Dreher Key Club has for many years distinguished itself as one of the leading youth organizations in the whole of this country.

Having on several occasions won international recognition, the Dreher chapter of Key Club International has polled an impressive service record since its foundation.

Heading the list of noteworthy services extended to school, student, and community is the Key Club Scholarship Foundation, which awards \$250 aid to a deserving Dreher graduate each year.

Highlights of the Key Club year are the International Award-Winning Key Club Variety Show, light bulb sale, faculty basketball game, Goodfellows Christmas Cam-

paign, Polio and Heart Fund drives and the United Fund Telethon.

Active participation in district and international conventions has broadened the scope and vision of the individual Key Clubber and has extended and made known the name, Dreher High School, throughout the country. At least two district officers for each of the three years just past have been Dreher Key Club members and the Dreher Key Club has been mentioned for every district service award.

Founded only a few years ago, the Key Club has been a sterling example of building better citizenship through service to mankind.

BLUE DEVIL

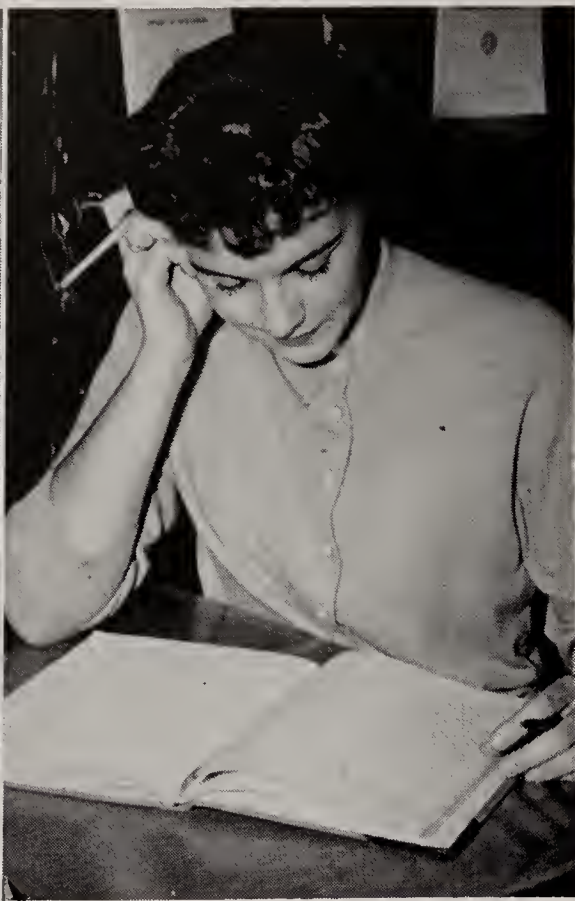

What memories the numbers 1959 and 225 bring to the minds of this year's staff. Mrs. Wyman's room where we sweated and strained to get a working plan for an annual which had to outdo last year's. Then, as the deadline approached, our "vacation periods" grew fewer and we typed feverishly to the strains of "The Nearness of You."

Jackie was the only calm one of the bunch, even when constantly harrassed by Nelson's "But, Jackie, I don't understand." Marnie was with us only a semester. We couldn't take any more, so we sent him up to the typing class, although he could still be called upon.

There was Meredith, who just couldn't "sweat through another semester of algebra." Scott worked on without complaint, even with Bruce's coming in at the last minute to tell us what we were doing wrong.

There was Bob, editor by proxy, and Carlisle, who didn't know quite what to do, but did whatever it was well. Let's not forget Nancy, whose able ways (?) and beautiful records carried us through many a trying day.

Mrs. Wyman was there too, learning with us, but always a step ahead. And what would we have done

without Mr. Arnold quietly getting things done, and Mrs. Wannamaker checking and double checking.

On our business staff, Booty and Diane let Margaret in on all the inside tips for next year, while Mrs. Romey used the ad money for her honeymoon!

1959—the best year and the best annual ever!

"Have you bought your *Blue Print* subscription yet?" This was a familiar question at the beginning of the year. For in September, financial problems plagued the business staff, and for a while it was doubtful whether Dreherites would again read their traditional "Pattern of Life at Dreher." But the "Senior Rescue Committee" and a funeral wreath on the Press Box door soon put the *Blue Print* back in business.

The Press Box was quickly changed from a mock funeral parlor to a scene of bustling activity. Weeping, wailing, and tearing hair again filled the air with tenseness.

"How d'ya' fit four inches a' copy into twelve inches a' space?"

"I dunno', but do me a favor, will ya'? Jump out that third story window. I need some more news!"

BUSINESS STAFF: Carlisle Caughman, Claudia Waites, Pat Lynn, Scottie Shelley, Diane Cook, Martie Faulk, Brenda Baker.

And so it goes, sometimes long into the night. Minutes, even seconds count, as the student journalist, like the professional journalist, continually works under the shadow of an approaching deadline. But when it's all over, editor and reporter alike are filled with a feeling of pride, accomplishment, and satisfaction as they relax and watch another issue of the "Voice of Dreher" come off the press.

But they don't relax for long. For tomorrow they must start all over again in their bi-weekly battle against time to keep the students of Dreher informed and entertained.

LITERARY YEARBOOK

New worlds of wonder open up to the student who learns to express himself in creative writing. An inexpressible feeling of pride in seeing one's own work in print is felt by the student who has something published in the Dreher *Literary Yearbook*. Sketches, poems, book reviews, essays, plays, and short stories are carefully prepared for publication by the staff under the capable direction of the sponsors.

NATIONAL FORENSIC LEAGUE

The National Forensic League of Dreher provides many enriching and rewarding experiences for its members. This year the N. F. L. has participated in the District N. F. L. Congress, The Barkley Debate Forum at Emory University, and the State Speech and Debate Tournament in Columbia.

Much of the beautiful atmosphere encountered by a visitor to Dreher can be attributed to the efforts of the Art Council under the direction of Miss Moselle Skinner. The originals and the reproductions of famous masterpieces were pur-

FOOTBALL

MR. CHARLES STUART
Head Coach

With several key positions lacking experience, the Blue Devils faced a tremendously hard task of winning the third straight "AAA" football championship. However, under the leadership of Coach Charlie Stuart and his assistant, Arlie Whittinghill, it looked as if the Devils would go undefeated.

BUCKY DRAKE, DEANE FOWBLE,

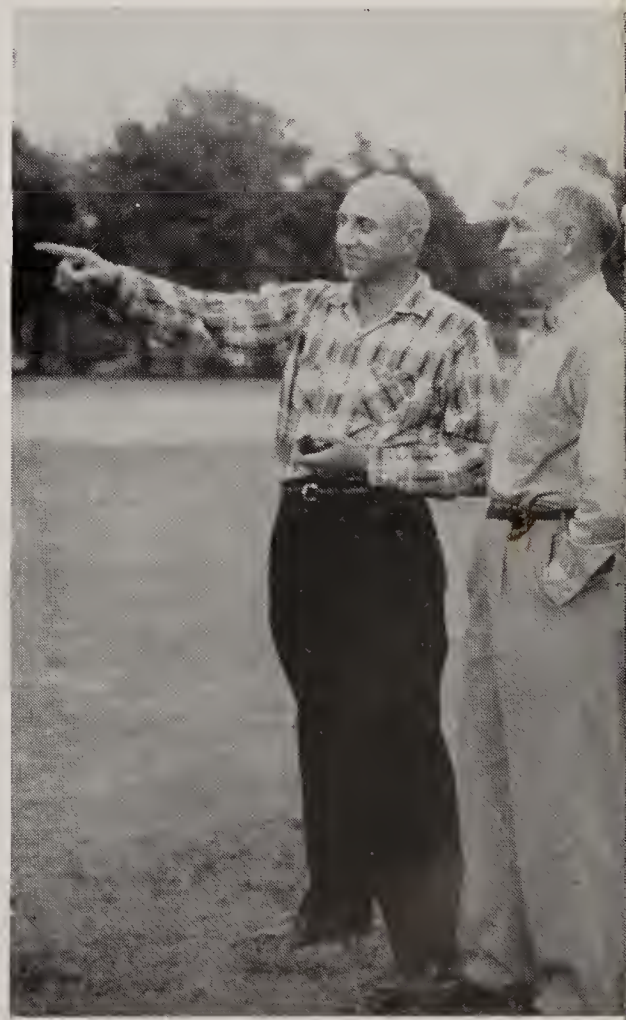

First Row: Harry Porth, Bill Elder, Bobby Hipp, Walter Robinson, Deane Fowble, Marnie Hook, Bill Faircloth, Wickie Wheeler, Dickie Melton, Kent Wright, Tatum Gressette, Dickie Mosely. *Second Row:* Bucky Drake, Jerry Ballentine, Jimmy Lanford, David Jenny, Bob Martin, John Helms, Mac Ogburn, Bill Hartin, Dennis Day, John Caskey, Jack McCathern, Neal Kightlinger. *Third Row:* Gene Sykes, Danny Bryson, Ted Petoskey, Jimmy Patterson, Bryan Graham, Billy Cherry, Bobby Cherry, Sonny Chunn, Chris Leventis, Donald Doughty, Guy Meares, Danny Rowe, John Hooker, Lionel Harvin.

JOHN HOOKER, *Tri-Captains*

The Devils had been rated number one in the state by almost every paper and writer. Then on Wednesday, the day before Thanksgiving, the varsity suffered their first defeat in eighteen games. The Blue Devils were obviously playing below par.

Their final record was eleven wins and one loss. This was still good enough for the Blue Devils to be ranked No. 3 in the state. Dreher placed three players on All-State teams and six players on the All-Area team.

CHEERLEADERS

Unforgettable words, as the Dreher Blue Devils triumph! What would cheering be like without Anna's spirit, Bobby's ideas, Addie's smile, Ed's cracks, Pat's frantically trying to find a white skirt before the game, and Meredith's blue legs. How could we ever forget the bus trips . . . Spartanburg . . . Johnny's gingerbread cookies . . . pep rallies . . . Gene's "snowing" the girls . . .

Homecoming . . . and the tension of the long-awaited Columbia Hi-Dreher game. Victory . . . defeat . . . excitement . . . letdown . . . dances after the games, and of course, our own "Ma" Boles always willing to help out.

"We got the pep . . . We got the steam!"
Unforgettable words!

BASKETBALL

This year's Blue Devil squad has carved out a well-deserved place in the long hierarchy of outstanding Dreher basketball teams. Over the regular season, the red hot hoopsters suffered only one defeat while two-platooning their way to seventeen victories. They won the city tournament by defeating Columbia Hi, Olympia, and Eau Claire. In postseason play, the talented group captured the Lower State "AAA" championship, placed a close second in the State "AAA" Tournament, and brought home an impressive overall record

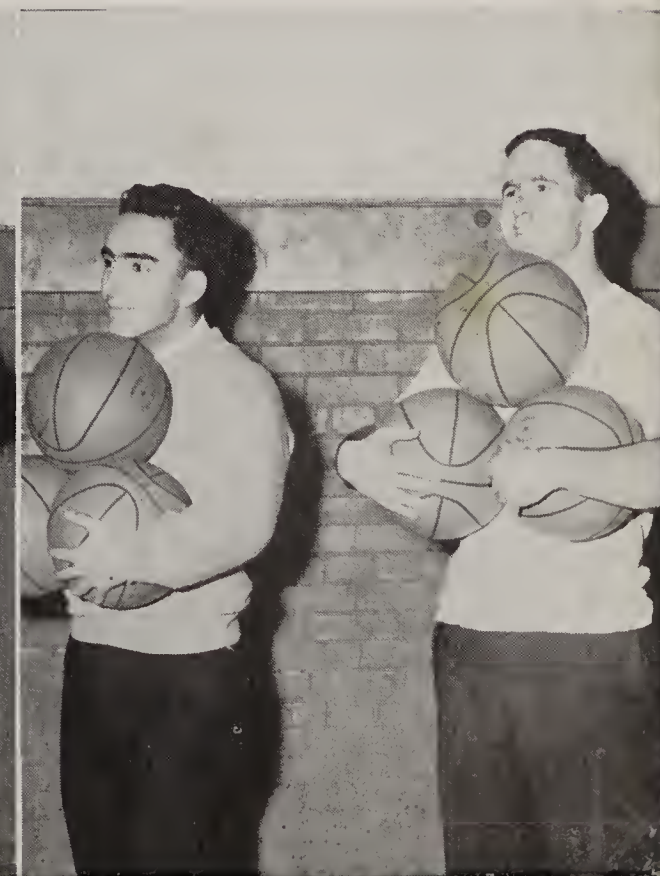

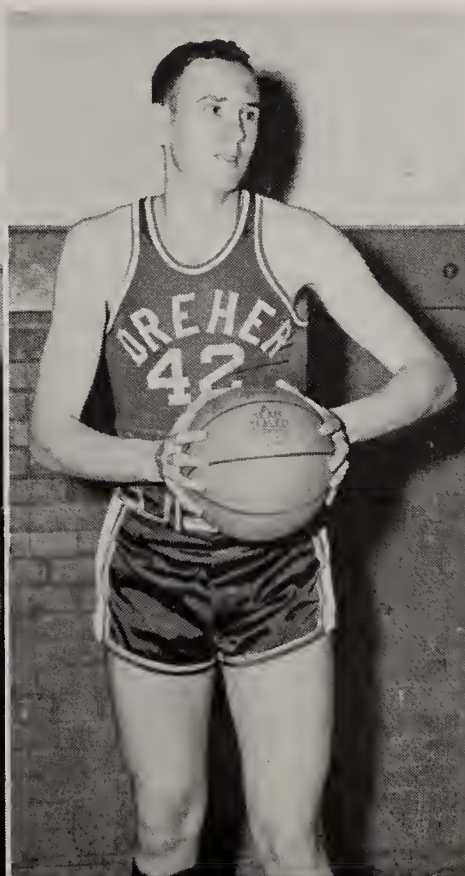

of twenty-three wins and two losses. For such accomplishments the team has won the tribute of Dreher and the admiration of the state.

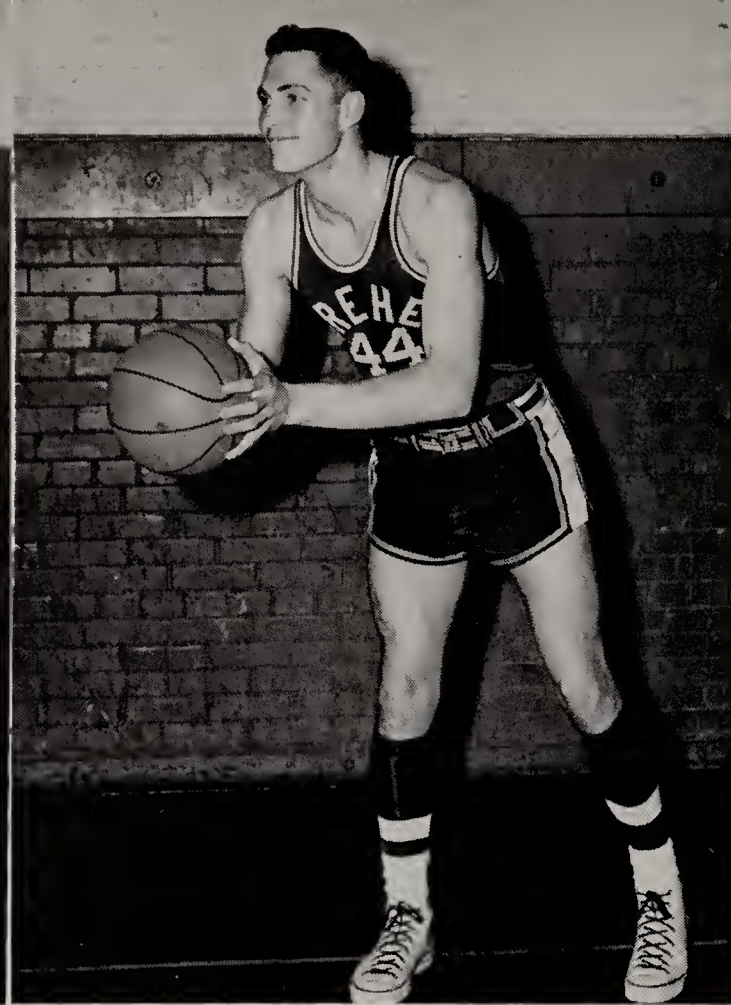

The men who deserve credit for guiding the Blue Devils through such a highly profitable season are Coaches Arlie Whittinghill and Herb Robinson. Without their expert and able direction the aggregation could never have compiled its record, nor could it have done so well in the tournaments. The student body of Dreher owes them its hearty thanks.

BASEBALL

MR. J. K. HENRY
Coach

The Blue Devils completed one of their most successful baseball seasons in years in 1958, compiling a 6-4 record, which included victories over Columbia Hi, B-C, Eau Claire, and Olympia. The losses came at the hands of Columbia Hi, Sumter, and the University of South Carolina Freshmen.

This year's team is expected to be a fine one with eleven lettermen returning, of

which only four are seniors. Under the capable guidance of Coach J. K. Henry these boys learn not only good baseball but good sportsmanship as well.

The Blue Devils will play an eleven-game schedule, including games with East Clarendon, Dentsville, Sumter, Brookland-Cayce, Eau Claire, and Columbia Hi.

VARSITY BASEBALL TEAM. *First Row:* Mac Ogburn, John Coleman, Delleney Ruff, Jack McCathern, Jimmy Lanford, Bill Ouzts. *Second Row:* J. K. Henry, *Coach*; Jack Owen, Wickie Wheeler, Ted Petoskey, Dickie Moseley, Marnie Hook.

TRACK

MR. CHARLES STUART
Coach

Once again the high-flying Blue Devil track team has proved itself the finest in the state. Under the leadership of Coach Taylor the 1958 squad swept over all opposition and captured the treasured title of "AAA" state champions. They broke

records all over the cinders and easily preserved the undefeated record of the previous year. This year, with most of that champion material returning, Coach Stuart and the "Flying Blue" can hope for an even more fortunate running season.

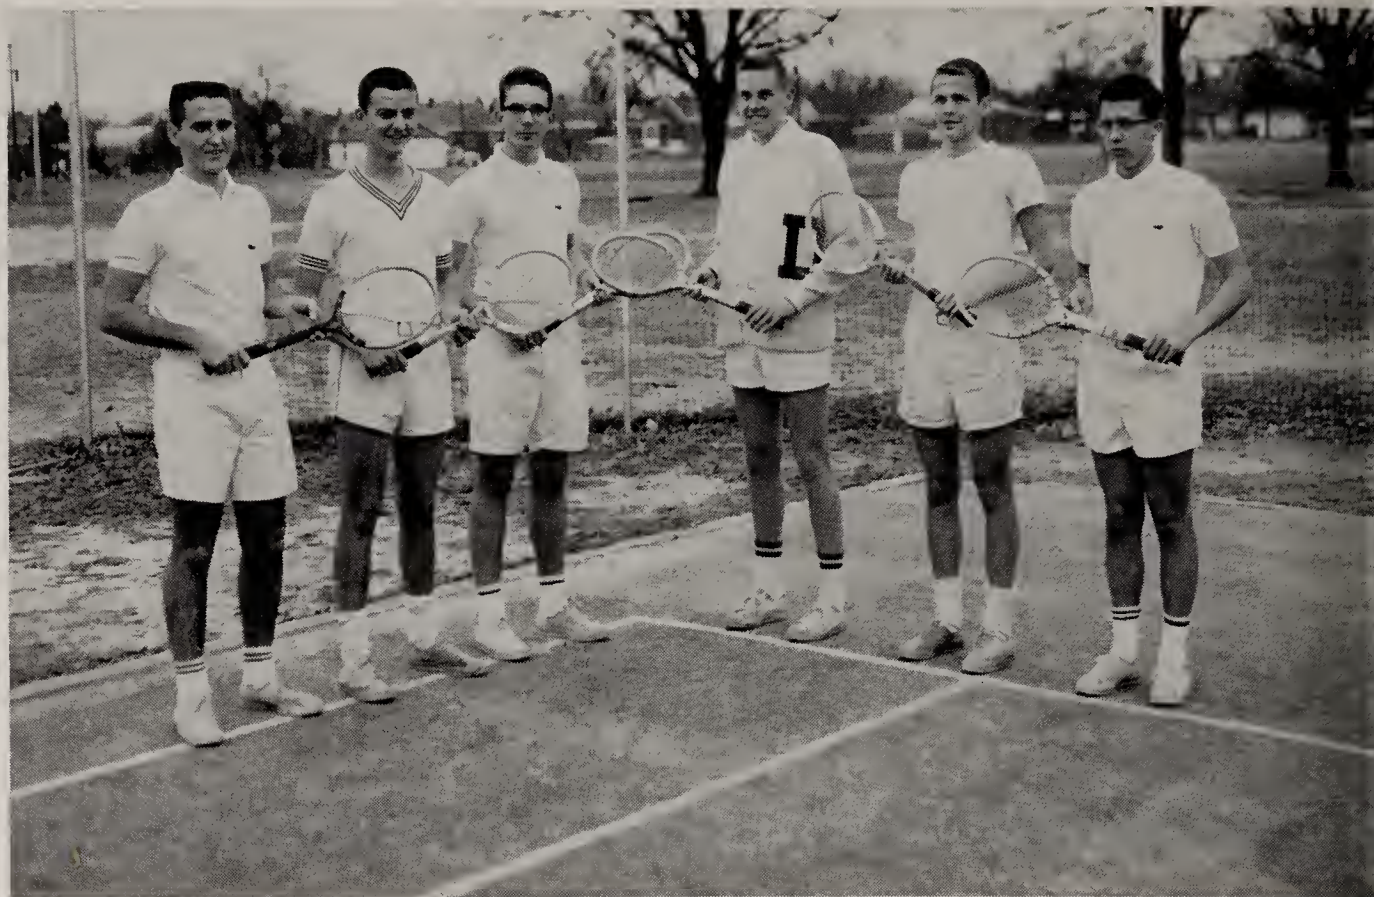

Kneeling: Buddy Huckabee, Danny Bryson, Alvin Edwards, Neil Kightlinger, Bill Elder, Bruce Steigner, Johnny Caskey, Bobby Hipp. *Standing:* Bobby Payne, Bill Law, John Odiome, Jack Steppe, Robert McLaughlin, Carl Foster, Danny Rowe, Bill Hartin, John Conyers, Johnny Benton.

PHYSICAL EDUCATION LEADERS

Those who enjoy competing for a position on a team may try their luck at softball, or tennis, which is quickly gaining in popularity is offered to all girls in the spring. The players who make the tennis team have a wonderful time journeying to tournaments all over the state.

Participation in these activities plays a major

part in a girl's school life. It gives her a chance to relax and have fun while she is gaining skill and spirit. Much of the success of the athletic association's program is due to the enthusiasm and efforts of Mrs. Boles and Miss Burns, the athletic directors.

TENNIS

The girls of Dreher High School are very proud of their athletic association. It not only provides a useful way for them to spend their afternoons, but promotes friendship, leadership, and good sportsmanship.

Many sports are offered to the girls at Dreher. Volleyball is always fun, and is usually climaxed with a Playday in which girls from all over the city participate. Basketball, another exciting and fast game, also appeals to many of the girls. Bowling, a game of skill, is offered every Wednesday afternoon.

Sylvia,
 I've enjoyed having
 psychology with you this
 year and knowing you
 at church. That was a
 mix-up that Sunday
 night, wasn't it ??? Best
 of luck in everything
 you do.
 Love,
 Jennifer

Sylvia,
 It has been great
 fun knowing you these
 past four years. I wish
 you all the happiness
 in the world. The best
 of luck in all that you
 may undertake. Stay
 as sweet as you are.
 Love Always,
 Linda

Sylvia -
 It has been so pleasant
 knowing you this year and
 being in your Home Ec and
 chorus classes. I will never
 forget the good time we
 have had.
 Best of luck
 Jennifer
 and
 Marcia
